## Time moves on

Kathleen and I were able to celebrate our 19th anniversary with a nice evening out, thanks to fellow missionaries and our sending church! Kathleen's parents were able to spend Christmas with us thanks to a donation that paid for their gas to drive the 500 km to see us. Remember gas is almost \$6 per gallon. Wow, that hurts to make a trip!

As Time moves on, William has a need for glasses. As the eye doctor looked at William's paper with his age, he said, "yep, 42 is the age that many, who especially do a lot of reading and using a Computer need to get glasses." We have always heard, after 40 you start going down hill. Wow glasses and frames are not cheap, especially here in Germany. The lenses with the frames cost us \$535. Can someone help with this extra cost?

## Time to adjust

The contract has run out on the building we were meeting in. We will be revamping our outreach ministry and meeting in our home until the attendance is back up. Because of the low attendance since we returned, families moving away for work, etc and the low \$, we have not been able to pay the full amount for the rent.

If you would be able to help with this outstanding amount or with a monthly increase in your support for the work here in eastern Germany, please send a short note along with the gift.

Kathleen has been able to minister to several Ladies that have opened up to her in the last month. Kirstin lost a baby almost 15 years ago and still suffers from depression and has nervous problems. Sabine is going through a third divorce and has recently been in a clinic for nerve disorders for 6 months. Please pray for Kirstin and Sabine.

## Time has costs

As many know, the dollar is very weak against the Euro. The cost of living has gone up and the value of the US Dollar has gone down. We thank the Lord for those who have been able to increase our monthly support, the increase certainly helps.

Pray for new supporting churches, for churches to be able to increase our support and for some of our regular supporters who are also suffering set backs at this time, that God would bless their churches with many new salvations and the funds to pick back up our support.

### Christmas Card

*„I wanted to say „Thank you“ for the time in your church! You've helped me to grow in the Spirit – William. I've experienced it so often, that the topic of your sermons were exactly what I needed to hear. – You showed me how important it is to have good fellowship... I wish you that you will shine as a bright light in this region!“*
