

New Location

Bible Baptist Church Darmstadt has officially moved into its new building!! Excitement is all around. As we were getting things set up and the choir was practicing, neighbors peeked their heads in to see what was going on. William was able to talk to some while the Choir was practicing. Those who spoke English too, said they would come by and visit. In the following weeks we have had several visitors from the neighborhood.

We had an American cook out on July 4th in the new building and had 60 present with several new visitors!

New Break

On August 7th we were in town shopping. On our way back to the car, William stepped off the curb to go to the driver's side of the car and somehow fell, landing on his right hand, knees and right elbow. He heard a crack as he fell and could not get back up. The folks around tried to help him, but the pain in the arm was too great for someone to touch him. They called an ambulance and he was taken to the hospital, where after 2 hours of no one looking at him and no pain meds, the Dr. finally came in and gave him intravenous pain medication and sent him to be ex-rayed. The corner of his radius bone had broken off (13mm) and pushed its way down into the bone itself. They put him in a cast and said he would need to talk to a surgeon about having surgery. Since then he has had more ex-rays and an MRI to determine there were no other breaks, cracks or torn membrane. He will not have to have surgery, just a splint for the next six weeks.

It is not easy having to learn to do things with your left hand, when you are right handed!

Thank you for faithful prayer and financial support!
